Category #5B	No Restriction	Category #10B	No Restriction
Category #5C	No Restriction	Category #11A	No Restriction
Category #5D	No Restriction	Category #11B	No Restriction
Category #6*	No Restriction	Category #12	No Restriction

Created With Values From Internal GCMS Report

*Due to the possibility of ingestion of small amounts of fragrance ingredients, materials present in the fragrance compound for use in this category must be approved for use in food.

The maximum concentration of the fragrance compound here above is based on IFRA code of Practice Annex 1. The IFRA standards regarding use restrictions are based on safety assessments by the panel of Experts of Research Institute for Fragrance Materials (RIFM) and are enforced by the IFRA Scientific Committee.
Evaluation of individual fragrance ingredients is made according to the safety standards contained in the relevant section of the IFRA code of Practice. It is the ultimate responsibility of our customer to ensure the safety of the final product (containing this fragrance) by further testing if need be.
